## **PT Cruisers cruise to over \$14k in Relay fundraising**

*Team named "Most Money Raised by Corporate Team"*

JASPER, TN – To the members of the ‘PT Cruisers’ Marion County Relay for Life team, raising money for cancer research is a much about passion as it is about being civically responsible. And that passion is evident since the team raised over \$14,000 during this year’s event, a 40 percent increase over money raised in 2007.

PT Cruisers Captain Bernice Zirk thanked team members and all supporters and contributors, especially the Grandview Medical Center

staff, for their efforts during the year. Team member Brandon Hookey was especially productive by collecting over \$4,000 in contributions and pledges.

Team members pictured above include, left to right, Carol Mobley, David Brackett, Amy Williams, Beth Johnson, Christy Richardson, Brandon Hookey, Bernice Zirk, Meredith Headrick, Bob Johnson, Vicky Wells, and Sarah Gaines.
